

The National Patient Reported

Experience Measure Survey

# Your Voice Matters!

Our aim is to improve the services we provide for our patients with kidney disease

- This unit is taking part in an important annual survey about your care – the PREM
- We'd like you to complete the survey on paper or online to help shape our services  
[www.renalreg.org/projects/prem](http://www.renalreg.org/projects/prem)
- The survey is completely anonymous
- We'll let you know what actions we're going to take from the results of the survey
- What you think really does matter. Be honest, work with us and help us to help you

**Thank you!**
