

KQuIP/UKRR Regional Day

North West

10:40 – 11.30

- Group Work – Review of Transplantation data locally

**‘THINK
KIDNEYS’**

KQuIP

KQuIP/UKRR Regional Day

North West

Group Work Questions for Consideration:

- What is the data telling us, what works well and what are the important issues to address?
- Do we need any more data? What are the barriers?
- Have we any examples of interventions that worked and where is the evidence?
- What are the next steps?

KQuIP

KQuIP/UKRR Regional Day

North West

11:30 – 12.00

- Feedback from each group
