Additional Comments					
Very practical useful course for anyone considering to be a leader helps me to understand myself and offers much more					
This is one of the best leadership courses I have been on. The analysis from the ? And ? Perspectives were easily digestible and ? There was plenty of oppertinity for practical exercises which ae asily implemented in clinical practice					
Use of plain english and a? helps to remember					
Very informative					
Excellent value for money					
Thoroughly enjoyed the course Lots to take away and learn from. Highly recommended to anyone that is in a leadership or striving to be in a leadership role					
The first leadership course that has delivered practical leadership training which I can implement immediately. Honest, streaight talking feedback which ensures I have an increase understanding of my development needs					
Make day 1 start later than 8.30 lots of late arrivals. I learnt a lot about myself both good and issues to improve on					
Inspirational motivational and lots of fund a definate must for any leader.
