

West Midlands Clinical Network

West Midlands Transplant, Audit and Education Event

13th July 2017

**Banks's Stadium, Walsall Football Club, Bescott Crescent, Walsall,
[WS1 4SA](#)**

An opportunity for clinicians, patients and commissioners to come together to share data, outcomes, experiences and learning around kidney transplantation

The programme includes (please note not finalised yet):

- ➔ Heated Debate: The quality of deceased donor organs currently available means that “Transplant First” is not the best choice for every patient
- ➔ Interactive case presentation and ‘terrify the expert’ session post-transplant care
- ➔ NEW ABSTRACT/POSTER SESSIONS (see below)
- ➔ MDT session Living donor transplantation
- ➔ Review of the national, regional and local data for transplantation
- ➔ Updates on progress with Transplant First from each renal unit and planning for the future

For further information please contact Vicky, Victoria.Powell@renalregistry.nhs.uk or 07534 917 171. Click [here](#) to book your place. A full agenda will be circulated shortly.

Please submit abstracts to kerry.tomlinson@uhnm.nhs.uk by 12th June. You will be notified of Poster or Oral by 23rd June
